

## **BATIDA**

Cachaça, a liquor made from sugarcane, is the official spirit of Brazil and essential to a Caiparina, the country's national cocktail. But this drink deserves its place in the Brazilian cocktail hall of fame. The Batida is creamy, rich, balanced and just delightful. It's a great introduction to Cachaça and another inspiration to use the spirit at home.

### **Serving: 1**

#### **Ingredient list:**

2 ounces Cachaça  
1 ounce Passion Fruit Syrup  
1/2 ounce Coconut Milk  
1/2 ounce Lime Juice, freshly squeezed
