

"THE FROCCS" (WINE SPRITZ)

The soda bottle was invented by Hungarian Ányos Jedlik, and there's a legend that says - as a result - the concept of the wine spritzer, of mixing wine with soda water, was also a Hungarian invention.

Serving: 1

Ingredient list:

Hungarian Wine, like Bull's Blood
Soda Water

Process:

Couldn't be easier. Open a bottle of wine, pour into a wine glass, and add some soda water! Enjoy!
