WELCOME TO THE CHEF & THE DISH

How it works.

Get ready for a cooking experience you'll never forget! In your Multi-Location Cooking Class with The Chef & The Dish, you and your team will be joined by your Chef who will guide you through mastering a dish, native to their region. Your class will also be co-hosted by a Host from The Chef & The Dish.

During your Cooking Experience, you'll get to know your chef and teammates. Then, you'll begin to do work together. Just follow your chef's lead. Ask questions, share stories, and have some fun together as you whip up an amazing traditional dish. Watch your chef, and get personalized coaching as you learn the fundamentals of their nation's most important dishes.

At the end of the class, enjoy your first few bites, and then say goodbye to your chef and classmates so you can enjoy an epic meal.

CHEF AGNES

BARATH

BUDAPEST | HUNGARY

Chef Agnes lives in a small village just outside Budapest. She was born and raised in the Hungarian countryside until the age of 21 when she moved to Budapest to study. After graduating with a Bachelor degree in catering, restaurants and tourism she landed a job as a class instructor in a Hungarian culinary school.

Her passion for teaching eventually inspired her to open her own culinary experience. Years later, Agnes has now welcomed hundreds of travellers into her home to teach them the best of Hungarian cooking, including A-list celebrities. She's been featured in USA Today, boasts a Certificate of Excellence from Trip Advisor, and has hundreds of 5-star reviews.

Now she's excited to transport into your kitchen to teach you some of Hungary's most iconic dishes. Hang up the keys and get ready for a whole new way to enjoy some time in.

WEIGHING YOUR INGREDIENTS

WEIGHT TO VOLUME CONVERSIONS

Many of our Chef's at **The Chef & The Dish** use weight measurements as their primary unit of measurement. It's standard in a lot of commercial kitchens around the world, especially where accurate and scalable measurements are needed.

You don't have to worry, the team at **The Chef & The Dish** has converted most of these weights into easy to measure volume measurements for you. However, as you further your culinary journey and start reading recipes and cooking dishes from around the world, you may want to buy a weight scale to translate some of the recipes for yourself. Weighing your ingredients remains the most accurate way to measure food.

We've attached a chart of some of the standard weight to volume conversions. This is only a guide, depending on the ingredients and how its packed, the volume can vary greatly.

We encourage everyone to keep thinking about food and cooking, and most importantly, keep exploring.
